- 25X1 1. Construction of a military airfield which is located between the villages of Nowa Wies (Neuguth), Sepolno, Konarzyny, and Garbek in the Czluchow (Schlochau-P54/N30) district was started in the spring of 1953. The area on which construction work is in progress is about five kilometers long from east to west and about three kilometers wide.
2. Work is being concentrated mainly on levelling the ground, except on the Garbek side where concrete is already being laid. The equipment which is being used includes excavators, tractors, rammers, and concrete mixers. Hangars are to be built by the autumn of 1953.
3. Excluding administrative personnel and engineers, about 200 men are employed on the project. Polish military engineers are in charge of the work and there are also three or four Soviets.
- 25X1 4. the airfield was intended for the use of jet aircraft.
